SUMMER COURSES

NABA invites you to join the Summer Courses, a great opportunity to attend two-week intensive paths in the **Communication and Graphic Design, Design, Fashion Design, Media Design and New Technologies, and Visual Arts Areas, in Milan, Rome, or both**, providing a condensed version of the most significant Academy's know-how: a complete overview on contemporary topics within visual and applied arts. Students will have the chance to experiment with relevant project-based work, guided by a faculty of lecturers and professionals, with focus on the two cities cultural and artistic scenarios.

The Summer Courses have a duration of two full-immersion weeks, distributed over three summer sessions. It is possible to combine multiple modules, also from different periods, in a unique 2, 4 or 6 week-session, in order to experience NABA's interdisciplinary approach in all its value.
